Ideally located on a quiet street in the center of Aiguillon, within walking distance of amenities, this charming house offers a bright living area of 37 m² with a kitchen corner, highlighted by its exposed brick walls and staircase, which bring warmth and authenticity. The living room opens onto a fenced garden with a terrace, small garden, and a garden shed with a new roof. Upstairs, a landing serves two large bedrooms of over 13 m² each, as well as a bathroom with a toilet. You will also benefit from a 15 m² garage accessible directly from the street and the house. In terms of comfort, the house is already fitted with a De Dietrich condensing boiler (2014), PVC double-glazed windows with roller shutters, and is connected to the main sewer system.
