House 4100TI Tonneins

For sale, a city house situated on a fully fenced plot of 610 m². It features an entrance opening onto a living/dining room (40 m²) with a wood-burning insert, as well as a separate, fitted kitchen (9 m²). There is the possibility to open up the kitchen to create a 50 m² living space. A hallway leads to three bedrooms, a bathroom, and a toilet. A staircase goes up to the attic, insulated and converted but with sloping ceilings, perfect for storage or a children's area. The house also includes a full basement with a cellar, a boiler room, an office, and a laundry room. Outside, you'll find a carport, a pleasant terrace, and a fenced garden. The roof is in good condition, and the house is equipped with a town gas boiler. Renovation work is needed (single glazing, electrical system updates, wall insulation, etc.), but it offers great potential for someone looking to customize it to their taste.
