Farm 4092TI Clairac

Here, time seems to stand still. No neighbors, no fences... just the horizon, the fields, and that feeling of complete freedom. Life here follows the rhythm of the seasons, a rare place for those seeking more than just a house... a lifestyle... while staying close to amenities: Tonneins is 7 km away, Clairac 4 km. The building, a stone farmhouse worn gracefully by time, has been lovingly renovated by its various owners. You'll find its cradles, exposed beams, its soul... but also today's comforts. The land, approximately 3700m², generous and open, makes the garden a lively place: ancient trees, vibrant flowers, sun-soaked fruit trees, vegetable garden. All perfectly maintained thanks to exceptional green fingers and a well to water this little world. A large covered south-facing terrace welcomes your summer meals and relaxation with a view of the 8x4 m chlorine pool, edged with travertine stone decking and equipped with a solar shower. A 30 m² garage, a lean-to for a motorhome or boat, as well as a spacious parking area complete the property. A little further on, an east-facing terrace invites you to enjoy breakfast overlooking the fields... or to unwind in the warmth of a jacuzzi at dusk. Inside, the rooms exude warmth and friendliness: On the ground floor, an elegant and

a true haven of peace with a bathroom, WC, and dressing room, as well as the attic offering additional storage. On the technical side: mostly wood heating (stove with distributor + insert), rarely used oil central heating except for hot water, wooden double-glazed windows, recent sanitation system (microstation less than 3 years old), roof in excellent condition, facade entirely lime-jointed...
